

Wallmount Series® Mailbox Accessory

The Wallmount Lockable Insert

It's easy to increase security to any new or existing Gaines Wallmount Mailbox.

A Lockable Insert is available for Wallmount Mailboxes. Installation takes only minutes. Remove the back panel (only 4 screws), slip in the Lockbox and replace the back piece.

Step 1

Unscrew the four screws that attach the back plate of the mailbox and remove.

Step 2

Slide Lockbox into the back of the mailbox.

Step 3

Re-attach the back plate with the four screws.

Genuine Gaines Replacement Parts Are Always Available.
